Chatham-Kent-Leamington Thrives

A MESSAGE TO OUR CONSTITUENTS

It is a privilege for me to represent Chatham-Kent-Leamington as your Member of Provincial Parliament. Recently, I was honoured to be appointed to serve as Associate Minister of Emergency Preparedness and Response and will draw on my experience as a former professional police officer to ensure all communities in Ontario are practiced, prepared and safe. I am continually inspired by our citizens’ devotion and spirit, and I am dedicated to representing each of you with sincerity, enthusiasm and energy.

I want to express my sincere gratitude to all the workers, healthcare professionals, volunteers, first responders, educators, service organizations, and businesses. They have worked diligently to provide for our community and its members by working together. Through our collective advocacy we have secured substantial funding to advance the health, safety, and well-being of our communities. Together, we have increased access to healthcare, empowered young minds in our school, strengthened agricultural prosperity, bolstered economic development, ensured the well-being of seniors, and generated more job opportunities throughout Chatham-Kent-Leamington. Your hard-work and dedication is admirable, and I take great pride in representing you and our community.

As we move forward, my priorities remain focused on advocating for the needs of our communities at Queen’s Park, including access to quality healthcare, a wide range of housing options, education, employment opportunities, and community safety. I am committed to working collaboratively with all levels of government, community stakeholders, and residents to address the issues that matter to you. I invite you to continue to share your feedback, concerns, and ideas with my team and I. Your input is essential, as it guides me and my service to you and your families.

Together, we are building a better future for Chatham-Kent-Leamington—one that thrives! Thank you again for the opportunity to serve as your MPP!

Sincerely,

Trevor Jones, MPP
